

RefWorks Citation Manager

Refworks has the below benefits for the researchers and the institutions in Pakistan.

- RefWorks is a program to manage reference sources and research notes and to create a bibliography in any style (APA, MLA, Harvard, etc.)
- Reduce article/research work rejection rate by providing users with bibliographic management tool that helps them generate accurate citations.
- RefWorks is available anywhere there is internet access so RefWorks can keep your research together in one spot.
- Fully utilize this service online/offline and with Microsoft Word. Write and Cite (which works within Microsoft Word to assist you with citations and formatting)– RefWorks is accurate, delivering thousands of customizable citation styles to use within authoring tools.
- Collaborate with friends and colleagues by sharing collections.
